

***John Smallwood does murder
Liz Gaynor does sex offences
Leanne Warren does both
And they all work***

**FOR THE
DEFENCE**

Through unprecedented access to their lives,
For The Defence observes criminal defence work through
the eyes of three leading criminal defence lawyers.

Witnessing them at work and home as they deal with clients
and their charges, this documentary provides an intimate
portrait of these key players in the criminal justice system
and others who participate in it willingly or otherwise.
