

Mama Tina

One Hour Documentary

As a child she suffered violence, neglect and poverty, but Christina Noble has survived, fulfilling her dream to help the street children of Vietnam

Mama Tina

Inspired by a dream and driven by memories of her own horrific childhood, Irish woman Christina Noble provides love and hope for Vietnamese street kids.

Through the stories of three street children Mama Tina illustrates Christina's commitment to her philosophy: that all children have the right to education, health care and above all love.

Punctuated by flashes of humour and exuberance that are both Christina's trademark and unique means of survival, Mama Tina is a profoundly inspiring documentary.
